This & That from Gayle

*The Board & Committees are busy planning for September's Reunion. After review of suggestions changes have been made so check this Drawsheet information. An insert has been added to better inform you of Reunion activities. I encourage attendees to complete the survey available. It is an immense help for us to plan so your reunion experience reflects your wishes.

***Memories...**I have so been enjoying phone calls from Alumni! What wonderful stories I have been hearing. Please M-K Alumni share stories of training, instructors, fellow classmates and nursing experiences. Send via email or regular mail to me. I would like to have them available at reunions and certainly at our 100th anniversary celebration. I'll put them in plastic sheaths in a 3 ring binder.

***2018 100th Anniversary Reunion...**Joleta Hervey Smith '69's committee is beginning the planning for our celebration. If you do not live close please remember you are only a click of the computer away. Please consider sending your input of any activities you would like. There have been some fantastic ideas presented...all doable. Possibly we might like a point Kahler and Methodist-Kahler grad from each state so let us know if you would be interested.

***Historic Preservation Committee...**continues to receive wonderful memorabilia that evoke fun memories. Look for the silent auction information in the insert.

***THANKS...**enough thanks cannot be given to the wonderful group of M-K Alumni I am privileged to work with on the board and committees. Be sure and give them a pat on the back when you see them at the reunion.

***Committees...**we are hoping to expand our committees. If you have one or two days a year you could help please let me know. Especially would like a few more helpers with Drawsheet, Social/Program and Nursing Scholarship but any you have interest in would be fantastic.

***Contact me...**although this time of year I am either spoiling grandchildren or digging in the dirt feel free to contact me at irnutmeg@msn.com or 507-867-4732 home or 507-421-8426 cell.

***Enjoy your summer wherever you are!** Looking forward to seeing the classes 5 and 0 in September.

Just a reminder for all of us to try to come to the celebration of 65 years since we graduated-and went our various ways to practice our profession. Please let me know if you plan to attend, or if not, please send me a bit about yourselves.

Some of you may plan to get together with special friends while here at the reunion. A good opportunity because the years keep slipping by.

To Classmates of 1970

Hope you are enjoying summer and seriously considering attending our 40th reunion in September. Can you believe it has been 40 years since graduation? It would be wonderful to have a large number of you come. Some positive changes in Saturday's schedule, they've done away with morning brunch and evening banquet and replaced them with a noon luncheon. This will enable us to have our own class get together Saturday evening. We will do this either in a classmate's home or at one of our local casual restaurants in a comfy private dining room.

It would be wonderful seeing everyone again. It is so much fun looking at pictures, old and new, and being able to reminisce. I'm not good at keeping in touch with old friends, and maybe some of you are the same way. This will be an excellent opportunity for us to catch up with friends who shared three years of life with each other.

The board is initiating an M-K School of Nursing scholarship for the ongoing education of practicing nurses. It will be financed by our contributions and continue on long after we are all gone, ensuring the M-K School of Nursing will not be forgotten. More details to follow, but please consider making a donation.

Looking forward to seeing you in September.

Reunion Activities

Friday, September 24, 2010

This year's reunion activities have been expanded to include more activities on Friday afternoon. The festivities will begin at **12:00 noon** on Friday. Hear our Kahler and Methodist-Kahler Alma Maters as you've never heard them before. Plummer Building Carillonneur, Jeff Daehn, will include them in his regularly scheduled Friday noon-time carillon concert. You must be outside in the vicinity of the Plummer Building to hear the concert, which lasts approximately 30 minutes.

At the conclusion of the concert, take in any or all of the scheduled tours reserved exclusively for our alumni and their guests. Although there will be NO charge for any of these tours, pre-registration will be required so we can plan for an adequate number of volunteers to keep things running smoothly.

The first tour will start at the conclusion of the carillon concert, at approximately **12:30 -1:15pm**. We will meet by the bronze doors of the Plummer Building, just off the Annenberg Plaza, to see 2 areas in the Plummer Building. The prestigious History of Medicine Library on the 15th floor currently displays books and artifacts from the Kahler and Methodist-Kahler Schools of Nursing. The Mayo Historical Suite on Plummer 3 includes artifacts related to nursing at Mayo, as well as the restored offices of William and Charles Mayo.

For the second tour, we will meet outside the elevators on the 14th floor of the Plummer Building at **1:30-2:30pm**, for a trip up the winding spiral staircase to the carillon tower. Jeff Daehn, the Plummer Carillonneur will give us an exclusive presentation about the 56-bell Plummer carillon, in a studio-like setting. You must be able to climb several flights of stairs, as there is no elevator access to the tower.

The third opportunity will be an inside guided walking tour to see some of the changes to the downtown Mayo campus, in the Mayo, Gonda and Methodist Hospital (Eisenberg) Buildings.

At 2:30-3:30pm, we will meet in the subway level of the Mayo Building outside the "Center for the Spirit" (also called the Spirituality Center). Volunteers from the Methodist Hospital Auxiliary will be the tour guides. The tour will last approximately one hour, and will end in the Methodist Hospital lobby near the Center Street entrance. Note: the Plummer/Mayo/Gonda Buildings are not accessible to the public on the weekends and after-hours.

Finally, our Historic Preservation Room, located on the 5th Floor of the Colonial Building, will be open for drop-in viewing any time between 3:00 and 4:30, to conclude the afternoon's activities. Take a walk down memory lane and see the many artifacts housed there.

The Friday Evening Social will take place in the Methodist Hospital (Eisenberg) Employee Cafeteria at **7:30- 9:00 PM**.

All these Friday activities are free and open to alumni and their guests, pre-registration is required.

Silent Auction

During the 2010 reunion day Saturday (9/25) activities there will be a chance to bid on some items related to our nursing school during a silent auction. These items include: a painting from the Methodist-Kahler Nursing library, one Kahler School of Nursing cape, one Methodist-Kahler School of Nursing Hymnal, two place settings (one dinner plate, one cup, one saucer per place setting) which we think may have come from Kahler Hall. The items will be displayed in the room where the reunion luncheon will be held. Bidding will conclude following Carol Ann Wallace's presentation. Terms will be cash or personal check only for winning bids. We will also have 10 Methodist-Kahler Alumni coffee mugs for a \$5.00 donation each.

M-K Alumni Nursing Scholarship

I am excited to announce the M-K Alumni Board has voted to establish an M-K Nursing Scholarship. Currently a committee has been established to work on the criteria. It would be given yearly at the Mayo Medical Center for nurses to attend educational seminars or further their nursing education.

Establishment of a nursing scholarship will fulfill Article II Purpose # 2 (To preserve, uphold and support professional nursing) and # 3 (To preserve our heritage of Kahler and Methodist-Kahler School of Nursing) of our constitution and by-laws. We are establishing an ongoing legacy of the high standard of nursing the M-K School of Nursing represents.

Funds...will be generated through designated memorials/gifts/donations from alumni, their families, and others. We do need to generate a significant amount of dollars (\$ 100,000) to establish a base for the scholarship. Sounds like a lot but when you break it down it amounts to around \$ 67 per alumni. We know not all can or will want to support this scholarship but we feel that it is an obtainable goal. After the initial dollars collected it will be self sustaining. If we collect a larger base we can give more than one scholarship or give larger dollar amount for the scholarship.

Great start...since establishing the scholarship we have received some extremely generous donations. To date we have \$ 5145 in contributions. The goal is to be able to present the first scholarship in 2018 (our 100th year anniversary) or sooner.

Administration...I continue to work with the department at Mayo Foundation Department of Development who will (after M-K establishes criteria) administer the scholarship fund.

Input...please email me or call or send via US Post mail your thought, comments and suggestions for criteria or any other questions you may have.
